**Bowlers -- Please remember to explain to your sponsors:** They may choose to pledge PER PIN, or a FLAT PLEDGE. PER PIN Pledges are made with the understanding that 100 will be the lowest score for which your sponsors will support you. (Best game score of the day) So a pledge of .25 cents per pin will result in a minimum pledge of \$25.00 for any score you get of 100 or below -- But, for example, if you bowl 200, the pledge of .25 cents per pin would amount to a pledge of \$50. A flat pledge, which is usually paid up front, is convenient because you do not have to collect funds after the Bowl-a-Thon.
